

Chem Quiz

Rules & Procedure :

* One team should consist of 2 participants.

Round 1: Elimination Round

The first round will be a paper pen round with several questions involving a variety of basic engineering concepts.

Round 2: Stress Interview

Top 10 teams will be selected for the 2nd round. A set of 20 questions will be displayed with choices. Teams must be able to answer each question within 20 seconds on the paper provided. The questions can deal with any engineering concepts.

Round 3: Final round

The top 5 teams will be selected for this round. This will itself consists of 3 rounds with buzzer round, pass around, and dumb charades.

No prompting or usage of cell phones inside the room.

- Bring your college ID-Card on the day of the event.
- The event coordinators have the right to **disqualify** the team in case of any malpractice (or) if the instructions given by them are not obeyed.
- The decision of judges will be final and no arguments or appeal will be entertained.
